Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Noise Level: Low
- Weight: Customized
- Frequency: 50/60Hz
- Dimension: Customized
- Certificate: CE/ISO/SGS
- Control System: Automatic/Manual
- Power Output: 20-100KW
- Start Mode: Electric/Manual
- Highlight: **ISO Mobile Diesel Generator, SGS Mobile Diesel Generator**

Product Description

Product Description:

Our **Mobile Power Diesel Generator** is a reliable, fuel-efficient and powerful power source for any application. It is designed and built to provide reliable power generation for all your needs. It is designed to be highly efficient, durable and reliable, and to provide a safe and cost effective power source. It is powered by a high-efficiency diesel engine and has a rated voltage of 220V/380V/400V/415V/440V, which can be customized according to your needs. It is equipped with an efficient fuel system, and can run on diesel fuel. The control system can be either automatic or manual, depending on your requirements. It has a compact design and can be easily transported to any site. With a power output of 20-100KW, our Mobile Diesel Engine Unit is the perfect choice for any mobile power needs. It is reliable, efficient and easy to use. The Mobile Diesel Engine Unit is your ideal solution for mobile power generation.

Features:

Product Name: **Mobile Diesel Generator**

Phase: **Single/Three**

Weight: **Customized**

Dimension: **Customized**

Fuel Type: **Diesel**

Noise Level: **Low**

Technical Parameters:

| Attribute | Value |
|----------------|-------------------------|
| Type | Mobile Diesel Generator |
| Frequency | 50/60Hz |
| Phase | Single/Three |
| Control System | Automatic/Manual |
| Cooling System | Air/Water |
| Weight | Customized |
| Fuel Type | Diesel |
| Warranty | 1 Year |
| Power Output | 20-100KW |
| Dimension | Customized |

Applications:

Minlong Mobile Diesel Generator is designed for reliable portable power supply in a variety of applications, such as powering construction sites, agricultural operations, industrial facilities, emergency services and remote locations. It is certified to ISO9001, and comes with a minimum order quantity of 1 at a negotiable price. The product is packaged in a wood case, and delivery time is 10-15 days. Accepted payment terms include L/C, D/A, D/P, T/T, Western Union and MoneyGram. With a supply capability of 1000 pieces per week, the Mobile Diesel Generator offers low noise level and features fuel type of diesel, with start mode of electric/manual and fuel tank capacity of 50-1000L. The weight is customizable. It is ideal for mobile diesel power unit, portable diesel generator, and portable diesel power generator.

Packing and Shipping:

Mobile Diesel Generator should be packaged in a sturdy cardboard box with a cushion of foam or bubble wrap to protect the generator. The box should be marked with the type of generator, the contents, and the shipping address. All parts should be securely packed to prevent them from shifting during shipping.

If the generator is to be shipped by truck, it should be properly secured to the truck. The driver should be informed of the type of generator being shipped and the weight and size of the shipment. The driver should also be informed of the shipping address and any special instructions.

If the generator is to be shipped by air freight, it should be packaged according to the carrier's specifications. The box should be clearly marked with the contents, size and weight, and the shipping address. The freight company should be informed of the type of generator being shipped and any special instructions.
